Billings Logan International	Airport owns four separate corporate hangars of different size and different monthly rental amounts. Airport owns four hangars in a common building in the business park. Each hangar is 4,000 sq. ft.
Gillette-Campbell County	The corporate hangars are rented to the FBO as part of the FBO's aggregate lease agreement and the amount (\$650) shown are estimated monthly fees.

The corporate group 1 hanger is our GA terminal hanger and the rate is based on size of aircraft. Rates are as follows: Single: \$38 daily/ \$118 monthly; light twin: \$72 daily/\$135 monthly. The corporate group 2 hanger is a shared hanger with one dedicated spot for Air Med with hanger and office space for 600 then as follows: light single: \$67 daily/\$315 monthly; turbo prop single or piston twin: \$82 daily/\$525 monthly; turbo prop twin \$98 daily/\$595 monthly; light jet \$150 daily/\$700 monthly; medium jet \$175 daily/\$875 monthly
